Re: FY2004 Budget Implementation Act
Letter of July 1, 2003
Eagle Zinc Company
NPDES Permit No. IL0074519 (FLR)

Gentlemen:

Per the enclosed letter dated April 23, 2003 from Blaine Kinsley, the Agency initiated termination of the NPDES Permit for Eagle Zinc Company because the facility had closed and all industrial activity had ceased.

I contacted Mr. Kinsley on July 3, 2003, and he said we were inadvertently sent the July 1 letter and invoice for \$1,000 and would not be subject to this fee.

Please correct your records accordingly.

Sincerely,

Paul D. Bangor
General Manager
